

Built-in Dual Fan Oven

NV66H3523LS/EE

Dual Fan

All Samsung convection ovens use double convection fans. We take this standard for granted as it gives our ovens a faster and more even heating.

A - Energy Efficiency

Tasty food does not have to cost the earth. This Samsung oven has an A graded Energy Efficiency which saves

Capacity – 65L

Cater for even the largest family or group of friends. With a huge 65 liter capacity you can easily roast a big 10 kilo turkey, ensuring that it is thoroughly cooked and full of flavor.

Child Lock

Enjoy complete peace of mind and keep little hands away from danger. Samsung ovens are childproof with special safety locks to prevent them being opened accidentally.

Catalytic Cleaning

Imagine an oven that cleans itself while it's working. With Catalytic cleaning the food remnant tray collects grease and residue and chemically dissolves them, so your oven is always clean.

Built-in Dual Fan Oven

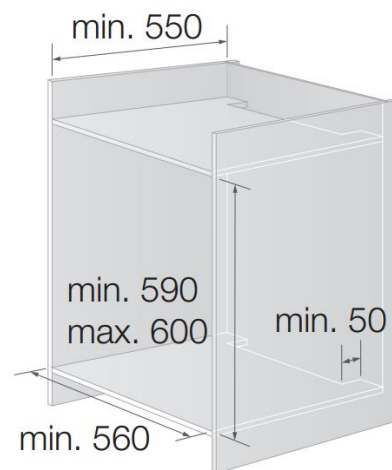

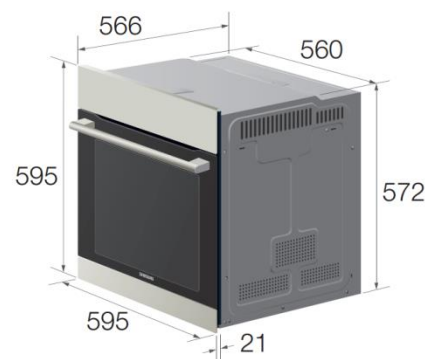

NV66H3523LS/EE

Cook any dish anywhere in the oven and get perfect results every time. Airvection technology uses two fans to spread heat evenly throughout the oven and deep inside the food.
