

# Side by side refrigerator & freezer

# SAMSUNG

RS7527THCWW/EF and RS7527THCSR/EF

570 L

## Plenty of space for the food you love

Fitting all your food has never been easier than with Samsung's large capacity and smart solutions. Big boxes, glass shelves and door pockets gives you versatility to store many kinds of food items.

## MultiFlow

With air ducts on every shelf and in every drawer you can rest assured that your food is always kept at the optimal temperature and that coolness is restored quickly after opening the doors or drawers.

## Extended durability and less noise

Enjoy a more silent and more energy efficient refrigerator with Samsung's Digital Inverter Compressor. By using several sensors this intelligent compressor can adapt its working intensity which extends durability.

## Never defrost again

Samsung's true No Frost is completely automatic and ensures a frost free interior which keeps your food fresh longer. Avoiding ice build-up also contributes to lower energy consumption and longer durability of the compressor.

## Tower LED-lighting

Extra strong LED-lighting lights every corner of your refrigerator. The advantage with LED-lighting is that it doesn't get very hot at the same time as it's more durable than conventional light bulbs.

## Power Freeze

With an easy push of a button you activate power freeze which is perfect when you have put lots of food in your freezer and quickly want cold air for powerful freezing.

# Side by side refrigerator & freezer

# SAMSUNG

RS7527THCWW/EF and RS7527THCSR/EF

<b>Product information</b>	Model code	RS7527THCWW/EF RS7527THCSR/EF	
	EAN	8806085183032 8806085183049	
	Refrigerator/Freezer type	Side by side	
	Display	Ice blue metal look LCD	
	Handle	Long Bar Handle	
	Color	White Stainless steel	
	Handle color	White Stainless steel	
<b>Energy information</b>	Energy class	A+	
	Energy consumption (kWh/år)	497	
	Noise level (dB)	39	
	Net volume (L)	570	
	Net volume refrigerator (L)	361	
	Net volume freezer (L)	209	
	Climate class	SN-T (+10 to +43 °C)	
<b>Specifications</b>	Cooling system	Twin Cooling™	
	No Frost	Yes	
	Multi Flow	Yes	
	Power freeze	Yes	
	Compressor	Digital inverter compressor	
	Door pockets (refrigerator)	4	
	Door pockets (freezer)	5	
	Shelves (refrigerator)	4	
	Shelves (freezer)	4	
	Drawers (refrigerator)	2	
	Drawers (freezer)	2	
	Egg holder	Yes	
	Lighting	Tower LED	
	Door alarm	Yes, 2 min	
	Coolant	R-600a	
	<b>Measurements</b>	Net dimensions, W x H (mm)	912 x 1789
		Depth with handle (mm)	754
Depth without handle (mm)		672	
Depth without door (mm)		605	
Gross dimensions W x H x D (mm)		974 x 1907 x 797	
Weight, Net/Gross (kg)		109/119
